THE RETURNING PERFORMANCE

“I FELT WE STARTED TO MAKE SOME REAL PROGRESS TOWARDS THE END OF LAST YEAR SO IT’S FANTASTIC GOODRIDE AND THE GROUPTYRE MEMBERS HAVE AGREED TO SUPPORT ME AGAIN IN 2013”

Rob Smith

Making good progress during the 2012 Clio Cup, our man Rob ended his debut season eighth in the Rookie Cup standings, just a single point outside the top six.

Confident of mounting a sustained front-running bid this year in the prestigious one-make saloon car category, former single-seater racer Rob has the full support of Goodride Performance Tyres and Grouptyre.

Rob’s car will be run by multiple championship winning team Total Control Racing, who have won the Clio Cup on three occasions, and have launched the careers of drivers such as Jonathan Adam, Alex Macdowell and Tom Onslow-Cole.
